

## Teaching series on TESTIMONIES

By Dr George Perry, National Chairman.

In recent times, I have been prompted to do a bible study on testimonies, and why they are important to all believers, especially to the FGBA partners, given that they are very important to God.

I shared the revelations I received to my church and they were recorded. Three videos will be broadcast during November – the first on Tuesday 1<sup>st</sup>, second on 15<sup>th</sup> and third on 29<sup>th</sup> November. Several people at church were greatly impacted and inspired by these messages and have started to share testimonies more willingly. These videos will be available on our [FGBA YouTube channel](#).

I encourage all partners to journal their testimonies and to be ready in season or out of season to share their testimonies. It is important that we do share our testimonies. I believe the more we share, the more God will give us. Don't be like the servant who buried his single talent ([Matthew 25:14-30](#)).

Talking about testimonies, have you watched [Tony Low's amazing testimony](#) on our YouTube Channel? Already over 8,500 people have viewed this and many have been touched.

And of course, we have recovered many testimonies of our past members, as published in the Voice magazines, and posted them on our website at <https://fgba.org.au/voice-magazines/>
