

# Onkaparinga Prayer Breakfast

The Onkaparinga Prayer Breakfast is based in the southern Adelaide region and brings together the local businesses, churches, schools and community leaders for a time of Prayer and Fellowship. Over 30 Full Gospel Business members also joined the Breakfast at McLaren Vale to hear a great message from the keynote speaker, John Sikkema. John's spoke on "Living an Enriched Life" which focused on the importance of finding how your Life's purpose can impact the lives of our community, to build a better outcome for all.

John also spoke at the FGBA Adelaide South breakfast meeting, where he brought a great message on the "5 Keys to Transform Your Business and Life" which can be found on this link:
