MALAYSIA

FGBMFI International Directors' meeting and Asia-Pacific Leaders' meeting in Kuala Lumpur

As the International Director for FGBA, I had the privilege of being invited to attend the International Directors & Asia Pacific Leaders meeting in Kuala Lumpur on February 17th & 18th of this year.

There were some 50 leaders present representing 19 nations that had come together for the 2 days with both events being hosted by FGBMFI Malaysia. The delegates that attended the yearly FGBMFI International Directors meeting were also there to elect the new International President.

In conjunction with that meeting the rest of the Asia Pacific Leaders had come together to hear individual nation reports & the challenges being faced in their respective countries.

On the last afternoon all leaders came together for a wonderful time of worship & prayer for each nation.

At the closing dinner that night we were blessed by some wonderful testimonies and a prophetic word brought forward by the new International President Mr Francis Owusu

Thank you Malaysia for being such a wonderful host it was truly a blessed two days

THE PHILIPPINES

Many thanks to all that prayed for us whilst I was away in Malaysia & the Philippines. The Asia Pacific Leaders meetings in Kuala Lumpur went well and I preached in my friend's church on the Sunday which was a blessing.

My program in the Philippines was very fruitful and it was good to be able to take part in what the FGB is doing in evangelism, and reaching out to the young people, widows and orphans.

I have included just a few photos to give you an idea of what activities I was personally involved with during the week that I was there.

WIDOWS CHAPTER OUTREACH & FEEDING PROGRAM

A great ministry facilitated by the FGBMFI LADIES OF THE FELLOWSHIP which primarily ministers to widows. I was able to share at 2 meetings which saw some 20 first time commitments PTL. They also provide food for the widows families and other orphans working in conjunction with a local church. They also provide a Christian education to the children.

PHILIPPINES GOLF COACHES OUTREACH

A great outreach where one of the FGB members Ps Nestor runs a weekly fellowship at a local golf course. I shared there and we had 2 coaches make recommitments.

Philippines Golf Coaches Outreach

PHILIPPINES BASKETBALL OUTREACH

Another great outreach where the same FGB member & the coach minister to the youth every week after training I shared my testimony and all the young men responded to the alter call given by Ps Nestor, It was a very moving time for all of us and we thank God for the opportunity we had to share with this the next generation. To me this was the "Church in the Marketplace".

Philippines Basketball Outreach

PHILIPPINES FGBMFI BANQUETS

Whilst I was there we ministered in 2 outreach events and ministered to around 50 people with some instant healings and many people touched by the Lord.

PHILIPPINES CHURCHES

I was privileged to be able to minister in 2 churches on the Sunday with some 150 people responding to the altar call where we saw healings and many having a “supernatural encounter”

I thank God for all that he did during that week and that I and my family were kept safe during this time.

Many thanks for standing with us in prayer.
Regards
Rod & Lorna
